## Corporate Close-up

Welcome to the amazing world of Q-KITCH. We are a professionally managed design & manufacturing company engaged in crafting an exquisite range of essential kitchen basket that will not just meet the demands but also exceed the highest expectation about stylizing your kitchen to the global standards.

We are privileged to take you on a visual voyage through the pages of this catalogue which will make it easy for you to select the right essential kitchen basket. Be it Kitchen Baskets, Pullouts, Carousel, Magic Corner or Tall Unit.

The Q-KITCH range of essential kitchen basket is an icon of urbanism that comes pre-loaded with distinguished designs, zero-worry precision and time-proof durability. Each product is a result of our relentless pursuit for perfection and speaks a lot about our fascination for ergonomics. Q-KITCH offers a versatile mix of size, design, specifications, and finish that you won't probably find anywhere else.

Sprawled across more than 1900 square meters of area, our manufacturing assembly boasts of having one of the most modern R&D, Design, Production, Finishing and Storage facilities manned by highly qualified personnel. In order to ensure the management of total quality – from idea to execution – the Q-KITCH bevy consists of expert teams of designers, craftsmen and quality controllers. Our corporate manifesto – Absolute Quality – continues to reflect at every level from the design board to dispatch van.
