MODERNIZE YOUR
KITCHEN

Area it's a contemporary kitchen with graphic, essential lines, which stands out with its sometimes unusual combination of different materials and surfaces: the result is a totally new kitchen concept, where practical becomes beautiful and unusual becomes everyday.

modular k i t c h e n BASKETS

Our extensive range offers interesting materials, new elements, stunning colours and brilliant solutions. From laminated and timber veneer doors with aluminum edging in a choice of colours and wood finishes, to new materials such as steel, aluminum and glass, our kitchen baskets enable the creation of a professional kitchen made to measure for every space, practical need and personal taste, a place in the home in which to cultivate passion and share pleasure.
